

By putting lives first, we've created a legacy that lasts

For nearly 130 years, we have tackled some of the world's biggest health challenges and provided hope in the fight against disease, for both people and animals. Today, we continue our commitment to be the premier research-intensive biopharmaceutical company in pursuit of medical breakthroughs that benefit patients and society for today, tomorrow and generations to come.

At WI, our offices come with a view.

All WI employees are 100% remote, and everyone has a different ideal view. Happy writers, QC and publishing specialists, and support staff result in happy clients. We are always hiring rock stars – tell us about your view at www.whitsellinnovations.com/careers.
